

Awareness Programme on Cervical Cancer

Relatives of patients attend the Fortnightly Health Education Programme organized for relatives of patients at Kohinoor Hospital.8.

Kohinoor Hospital organised a Cervical Cancer Awareness Programme on September 10, 2011 at the Medical Mela hosted by Lion's Club at R City Mall, Ghatkopar.

Dr. Anjali Talwalkar, a Consultant Gynaecologist at Kohinoor Hospital talked to more than 100 members about preventing and diagnosing cervical cancer.

Pamphlets and fridge magnets with important information were given to the attendees.
